### SPECIAL THANKS TO:

Preston Boebel for everything!!! David Goodstein for always being the consummate professional. Erik Kertes for saving the day and all your effort. David Curry for years of friendship and blessing this album with your bass. Tony Terborg for all that you gave and magic that you do. Brian Levi. To the three loves of my life: Sandra for being in my heart and sharing this life with me, Rebecca for sharing this gift of music with me and being a part of my music, and Olivia for being the little love that you are... Love you Mom and Dad!  
Thanks to all of you who share my passion for instrumental music. I welcome you into my "Circle of One" One love, One God, One life to share with each other...
